COPY

6 May 1960

whole year I have hugh you abreast of our affairs in order to give sibility to see that that which I have told you is the truly, speci-b States and his several boys around do not represent and will not represent the Bulgarian National Front.

Th must be regretted that trust was given to them and that you decided to work with them and invest some in their work, which some, naturally, went down the drein. Attached I was excising you the magazine "Borbs" from which you will larger of our grandions states at the Compress and the decident taken, as will as the areablishing of the Bulgarian Instanced Consecil. Touly, the francing of the bulgarian representations abroad (temporary representation) to its very francistion and that it is now hanging completely in cir. Everyor, given the siduation existing, it was to be caperfed that all this happened in this way as a matural result (of our position). I am also emblesing a copy of the invitation to the meeting of the Bational Council, from which you will see the signature of an activity which will assuredly give results and which will element the Bat. Bything more could have been expected as long as States and company were given the task of doing the job. They were never capable nor

en a year has elapsed since you here written to me and I, therefore, t I have fulfilled my friendly obligation towards you to the end a hemseforth, if we are to resum contact, it will be if you take

by regards to you and all of the friends.
